MY TOTAL

THANK YOU FOR VISITING KAIPŪPŪ SANCTUARY

## KAIPŪPŪ Sanctuary SPECIES I SPY

When you are exploring  
please remember:

- Keep to the tracks
- Stay together
- Do not touch the traps
- Take your rubbish away

How many species can you spot on  
Kaipūpū?

Inside this book are some of the species  
that call Kaipūpū home.

✓ Tick the box for each bird, insect and  
plant species that you see then add up  
your points at the end of your walk and  
check your score.

## BIRDS AND INSECTS (FAUNA)

5

**Fantail**

**Silvereye**

*Tauhou*

20

**NZ Pigeon**

*Kereru*

10

**Tree Wētā**

## PLANTS (FLORA)

10

**Silver Tree Fern**

*Ponga*

Look for the silvery undersides on the fronds

15

**Koru**

A new unfurling silver fern frond.

10

**Crown Fern**

*Piupiu*

I am a ground fern that grows in shady spots

10

**Rangiora**

I have large leaves that are white and soft underneath

10

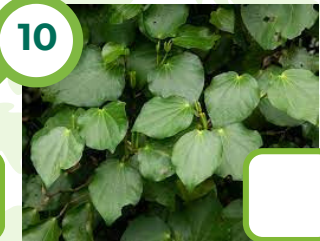

**Five Finger**

*Whauwhaupaku*

I have leaves that consist of five to seven leaflets

10

**Kawakawa**

Look for my heart shaped leaves with holes in them

15

**Hangehange**

I have bright, shiny lime green pointed oval leaves

10

**Flax**

*Harakeke*

A great source of food for Tui and Korimako

10

**Rātā Vine**

You may see me climbing up a Beech tree
